

Fit Guide

We're a good fit.

Running clothes should simply fit well. We pride ourselves on a consistency you can trust. Our line consists of four types of fits:

- **Compression:** A comfortable squeeze for a locked-in feel
- **Fitted:** Hugs the body with no extra fabric for a supportive feel
- **Active:** Close to the body without being tight that feels made to move
- **Relaxed:** Loose, accommodating comfort with an easy feel

How to Measure

Chest/Bust: With arms relaxed at sides, measure around the fullest part of the chest/bust

Waist: Measure around the natural waistline, the smallest part of the waist

Hips: Standing with legs together, measure around fullest part of the hips

Inseam: Measure inside length of your leg from crotch to bottom of ankle
