

# 21K de MONTRÉAL

A large, empty white rectangular box with a thin black border, intended for the user to write their name on. It is positioned in the lower half of the bib template.

Now that you have printed your virtual race bib, colour it in to make it your own!

When you're finished, write your name in the white rectangle in the lower area of the bib, then carefully cut along the dotted line and you're all set to take your race-ready photo.

We'd love it if you would share it with us on social media!
