

EVENT NOTICE

SATURDAY, JUNE 15, 2024

The Under Armour Toronto 10K is all about community! With a flashy medal and waterfront course on the Lake Shore, surrounded by the energy of thousands of runners and walkers, you don't want to miss it! Come out and cheer them on!

This year's event is supporting Kidsport Canada. KidSport is a national not-for-profit charitable organization, with funding support provided by the Government of Canada. Its mission: to remove financial barriers that prevent kids from playing sport by providing assistance for registration fees and sport equipment to children aged 18 and under.

Using innovation and organization as guiding principles, Canada Running Series (CRS) stages great experiences for participants of all levels, from Canadian Olympians to recreational and charity runners. With a mission of "building community through the sport of running", CRS is committed to making sport part of sustainable communities and the city-building process.

Please read the reverse to learn about any road closures in your neighbourhood and be sure to share this information with your neighbours, customers, friends and family.

See toronto10k.com for more info.
